

I Love A Girl

I love a girl,
and she's the prettiest girl
in this world.
Her beauty is abundant,
My love will never be redundant,
I love this pretty girl so much it hurts.

I'm in love with a girl,
And she's the most perfect girl
in this world.
Her smile lights up the room,
And it could never be too soon
That she would even consider talking to me.

I really want that girl,
And she's the most amazing girl
in this world.
Her hair it glows and shines,
Like that of an angel divine
I want her more than anything in my life

What a girl,
Oh what a girl,
Hair can be straight or curled,
But I love her just the same
Cos she's so fine,
I love her just the same
I'm overjoyed at the sound of her name,
And all I want is that she could be mine.

I love a girl
And she's the sexiest girl
In this world
I wanna hold her so much
I wanna kiss her and feel her touch
But I want to get to know her first

And now you know I'm in love with a girl
And you know she's the most wonderful girl
In this world
If only she felt the same
I wouldn't feel this shame
In not knowing how to express to her my love.

I want her to love me too
There's nothing more I'd rather do
Than be in a relationship
With her.
